FORMATION**

SECTION I FORMATION

1.1 Whereas Freemasonry is an ancient institution existing from time immemorial And Whereas in AL 5730, AD 1730 “Parfait Harmonie” Masonic Lodge was established in Malta;

1.2 And Whereas three Lodges of the Irish Constitution namely Leinster Lodge No. 387 and Abercorn Lodge No. 273 and Fenici Lodge No. 906 met on the 5th of September 2003 and resolved to form themselves into a Sovereign Grand Lodge;

1.5 And Whereas the Grand Lodge of Ireland in consultation with the United Grand Lodge of England and the Grand Lodge of Scotland has acceded to our prayers and constituted the abovementioned Regular Lodges into a Grand Lodge on the 18th of November 2004;

1.6 Now Therefore are these five Regular Lodges namely Leinster and Abercorn and Fenici and Count Roger of Normandy and Hospitaliers whilst affirming the ancient landmarks of The Order and in pursuance of the principles of Grand Lodge recognition of regular Masonry now hereby established into the Sovereign Grand Lodge of Ancient Free and Accepted Masons of the Republic of Malta;

1.7 And Whereas, present for the Consecration which took place at Riviera Hotel Marfa, Malta this same day of 18th November 2004, were the delegations from the following regular Grand Lodges:

SECTION II

DECLARATION CONCERNING GOD AND RELIGION

SECTION II

DECLARATION CONCERNING GOD AND RELIGION

2.1 The Sovereign Grand Lodge of Malta acknowledges belief in a Supreme Being to be the great fundamental principle and landmark of Freemasonry upon which foundation our Fraternity is erected. Without an avowal of such belief no man shall be initiated into a Subordinate Lodge of the Sovereign Grand lodge of Malta.

2.2 A Mason is obliged by his tenure to obey the moral law and if he rightly understands the Art, he will never be a stupid (*) atheist or an irreligious libertine. In ancient times a Mason was charged in every country to be of the religion of that country or nation, whatever it was. It is now thought expedient only to oblige him to that belief in which all men agree leaving his particular opinions to his conscience; that is, to be a good man and true, a man of honour and honesty, by whatever denomination or persuasion he may be distinguished, whereby Masonry becomes the centre of union and the means of conciliating true friendship among persons that must otherwise have remained perpetually at a distance.

(*) From the archaic meaning: uninformed, lacking interest.

SECTION III
DECLARATION CONCERNING THE CIVIL MAGISTRATE,
SUPREME AND SUBORDINATE

SECTION III

DECLARATION CONCERNING THE CIVIL MAGISTRATE, SUPREME AND SUBORDINATE

3.1 A Mason is a peaceable Subject of the civil powers wherever he resides or works and is never to be concerned in plots and conspiracies against the peace and welfare of the Nation neither will he behave himself undutiful against the nation.

SECTION IV
DECLARATION OF PRINCIPLES

SECTION IV

DECLARATION OF PRINCIPLES

Pursuant to the settled policy of this Sovereign Grand Lodge to define and reaffirm from time to time certain of the fundamental principles and rules of conduct governing the practice of Freemasonry in the Masonic Jurisdiction of the Republic of Malta;

It is declared that:

4.1 This Grand Lodge is a sovereign and independent body practicing Freemasonry only within the three degrees commonly known amongst the Craft as the degrees of Symbolic Masonry and only within the limits defined in its Constitution and in the exercise of its sovereign power does this Grand Lodge further declare that it does neither recognize nor admit the existence of any superior Masonic authority anywhere howsoever styled.

4.2 Membership of this Grand Lodge and its Subordinate Lodges shall be exclusively of men and shall have neither Masonic affiliation nor dialogue nor association of any kind with any Mixed Lodge or Masonic Entity itself comprising a membership not exclusively of men.

4.3 Freemasonry subscribes to the belief that men of good intention and differing opinion may be united through the objective attainment and accomplishment of the principles further herein defined.

4.4 Freemasonry is a charitable society not organized for profit and none of its income accrues to the benefit of any individual, but all is devoted to the promotion of the welfare and happiness of mankind.

4.5 Freemasonry is a benevolent society in that it teaches and exemplifies altruism as a duty.

4.6 Freemasonry is educational in that it teaches by prescribed ceremonials a system of morality and brotherhood based upon the Sacred Law.

4.7 Freemasonry upholds monotheism yet is neither sectarian nor theological. The Volume of the Sacred Law is open whenever a Lodge is in session. Reverence for the Supreme Being is ever present in ceremonial and Brethren are constantly addressed lessons of morality.

4.8 Freemasonry is a social organization only in so far as it furnishes additional inducement for men to foregather in numbers; more material is thereby provided for its primary work of brotherly love, relief and truth.

4.9 Freemasonry seeks to improve the community through development and strengthening of the character of the individual, impressing upon its members the principles of personal righteousness and personal responsibility, enlightening them as to those things which make for human welfare, inspiring them with those feelings of charity and good will toward all mankind thus moving them to translate principles and convictions into actions of good deed.

4.10 By the foregoing tenets does Freemasonry stand for truth and justice, for fraternity and philanthropy, for enlightenment and orderly civil, religious and intellectual liberty. It charges each Mason to be true and loyal to the government of the country to which he owes allegiance and to be obedient to the laws of any state in which he may reside.

4.11 The Sovereign Grand Lodge of Malta affirms its continuing adherence to those ancient and approved rules of Freemasonry which forbid, within Masonic Lodges or meetings, the discussion of Religion, Politics or other topics likely to excite personal animosities or personal differences; This is not to deny the more than three hundred years of Freemasonry in the Maltese Islands during which Masons have exercised their continuing inherent and absolute right of freedom of thought and obedient action in all matters religious and civil. To this end no member or Officer of whatever grade or rank has the right or privilege to speak or to act in the name of or on behalf of The Sovereign Grand Lodge of Malta in particular, or of Freemasonry in general without the prior authority and written approval of the Grand Master.

Grand Officers elected for appointment for the ensuing years shall be proclaimed and saluted at the November Annual Communication of Grand Lodge. Grand Lodge shall be opened in the Third Degree, but The Grand Master may direct otherwise provided always that due notice has been given.

6.3 At each Communication Grand Lodge shall be opened and ruled by The Grand Master or in his absence by the Deputy Grand Master or in his absence by an Assistant Grand Master or in his absence by that member of Grand Lodge then present who shall be next in order of precedence according to Law 6.1.1.

6.4 (Vacant)

6.5 Attendance at Grand Lodge Communications of other than Grand Lodge members shall be at the sole discretion of the Presiding Officer.

Such Brothers shall have no voting rights and may address the Chair only with the permission of the Presiding Officer.

6.6 Attendees at Grand Lodge Communications shall, before entering, sign their name in the attendance book provided.

6.7 Every Brother attending Grand Lodge or a Subordinate Lodge shall wear the Apron, Collar and Jewel appropriate to his rank and no member of Grand Lodge or of any Subordinate Lodge or visitor thereto shall be permitted to wear any insignia belonging to any Order or Degree beyond that of a Master Mason in which the Jewel of a Past Master is included. 6.9.2 Other than in accordance with Law 6.8, Grand Officer's 'Undress' aprons are to be worn by Grand Officers for all subordinate Lodge Meetings and similar Masonic events not organised by Grand Lodge.

6.10 Grand Lodge Communication procedures shall normally be in the following sequence:

6.10.1 The Grand Secretary shall:

6.10.1.1 ascertain the representation of Subordinate Lodges and receive apologies for absence,

- 6.10.1.2 offer the Minutes of the last Communication to be taken ‘as read’ and, subject to approval or the hearing of amendments, have them submitted for signature by the Presiding Officer,
 - 6.10.1.2 receive and record Motions of which due notice has been given.
- 6.10.2 The President of the Board of General Purposes shall then:
- 6.10.2.1 report on the proceedings of the Board,
 - 6.10.2.2 put forward its recommendations to Grand Lodge.
- 6.10.3 The Grand Treasurer shall then:
- 6.10.3.1 present his Financial Report and receive arising questions,
 - 6.10.3.2 put forward the Financial Report for adoption by Grand Lodge,
 - 6.10.3.3 have them submitted for signature by the Presiding Officer.
- 6.10.4 The Grand Secretary shall then:
- 6.10.4.1 present his report and receive arising questions,
 - 6.10.4.2 report on Foreign Relations,
 - 6.10.4.3 receive written notices of motions addressed to the Board of General Purposes by members of Grand Lodge.
- 6.10.5 The Most Worshipful The Grand Master at his pleasure may:
- 6.10.5.1 address Grand Lodge,
 - 6.10.5.2 carry out investitures and appointments,
 - 6.10.5.3 acknowledge and welcome visitors.

6.10.6 Grand Lodge reserves to itself the power of hearing and determining all applications and petitions that it may deem proper whether or not previously submitted to the Board of General Purposes.

6.11 Any Masonic question, dispute, difference or complaint which cannot be settled between the parties concerned may be referred in writing to the Grand Secretary for deliberation by the Board of General Purposes. On receipt of such notification, the Grand Secretary shall promptly advise the brother or Lodge so charged with the details of the charge. As a next step, the Grand Secretary shall attempt to reach a solution by mediation in order to do everything possible for avoidance of having to bring a formal charge/s to the attention of the President of the Board of General Purposes.

6.11.1 In the event that the Board of General Purposes determines that the nature of the complaint as submitted under Law 6.11 warrants the convening of an ad hoc Disciplinary Hearing Committee, then the President of the Board of General Purposes shall so advise the Deputy Grand Master who, in his capacity as Chairman of the Disciplinary Hearing Committee, shall appoint to the Committee such a member or members of the Board of General Purposes as the Chairman shall in his sole discretion decide.

6.11.2 When the Deputy Grand Master is unavailable to act as Chairman, then an Assistant Grand Master, or failing that a Grand Officer, may be delegated by the Board to act as Chairman of the Disciplinary Hearing Committee.

6.11.3 The Disciplinary Hearing Committee shall be authorized to interview whomsoever and to consider whatsoever it deems appropriate in order to investigate the circumstances of the case and report and make recommendations on it to the Board of General Purposes. The Board of General Purposes, on receipt of the recommendations of the Disciplinary Hearing Committee, may impose such penalty of admonition or suspension upon the Lodge or Brother, as the case may be, and its decision shall

be final unless an Appeal be made, pursuant to Law 6.32.1. If, however, also on the recommendation of the Disciplinary Hearing Committee, the Board determines that a Subordinate Lodge be erased or a Brother expelled, then the matter will be referred to the Grand Master for his decision. In this instance, the Grand Master's decision is final and is not subject to appeal.

6.11.4 The Grand Secretary will notify the parties concerned of the decision of the Board of General Purposes as soon as possible after the decision has been made.

6.12 Motions considered by Grand Lodge shall be determined by a majority vote of voting members, subject only that the Presiding Officer shall have an additional casting vote in the event of equal voting.

6.13 Annual Returns and Payments and an audited set of Lodge Accounts of the previous masonic year, properly due to Grand Lodge by Subordinate Lodges, and remaining unfulfilled beyond the 31st of March of the current year, shall disqualify such Subordinate Lodges from exercising their votes or serving on any board or committee of Grand Lodge.

6.14 A Brother shall always stand whilst addressing the Chair and shall suffer no interruption other than being called to order by the Presiding Officer or by special motion to Order.

6.15 A Brother shall not be at liberty to speak more than once on the same motion, unless in explanation or reply, or when called upon by the Presiding Officer. If any Brother behaves in Grand Lodge in such a manner as to disturb the harmony of Grand Lodge, he shall be formally admonished by the Presiding Officer and if he persists in his irregular conduct, he shall be excluded for the remainder of the meeting on the majority vote of the members present.

6.16 A notice for the enactment of a new Law or for the alteration or repeal of an existing Law shall be entertained at any Communication of Grand Lodge; provided that due notice thereof in writing shall have been given; such notice shall be printed in the summons for those

Communications and a copy of such summons shall be sent to the Secretaries of Subordinate Lodges at least ten days before the next Communication. However, the Grand Officer who is to preside, having received prior notice of a matter and deeming it to be of pressing urgency, may agree, prior to any Communication of Grand Lodge, to admit such matter for discussion and resolution.

6.17 Following the Communication of Grand Lodge, Lodge Secretaries shall be advised of any Notices relating to any alterations or additions to these Laws, together with the appointment of Grand Representatives near foreign Grand Lodges and appeals from Subordinate Lodges or Brethren.

6.18 A discretionary power is vested in the Presiding Officer of rejecting, at the time of its being handed in, any notice of motion, if such shall be deemed by him improper, unlawful, or inconsistent with the Ancient Landmarks.

6.19 Any motion, the substance of which Grand Lodge has already considered and decided upon, shall not be again brought forward or otherwise discussed until after the lapse of six months from the date of such decision.

6.20 In the absence of the Proposer or his nominee to move a motion it shall be agreeable for any other member of Grand Lodge to move the motion as if he had originally given notice thereof only should Grand Lodge not consent to a postponement.

6.21 Any communication from a Subordinate Lodge submitted to Grand Lodge shall be signed by the Master and Secretary and have the Lodge Seal affixed.

6.22 Proceedings or any comment thereon or reference thereto, of Grand Lodge or of a Subordinate Lodge or of any of their members or of any of their committees shall be published externally only with the prior written permission of the Grand Master. Such publications include the internet, websites, the press and social media.

6.23 Grand Lodge shall donate annually to such charities as it shall from time to time decide. Such donations shall be the subject of a motion annually in Grand Lodge.

6.24 The financial accounts of Grand Lodge and the Grand Charity shall, as soon as possible following 31st December year-end audit, be forwarded to the Grand Secretary for approval by the Board of General Purposes during the meeting held in May of each year.

6.25 Full detail of all new Laws and a Report of the number of Subordinate Lodge Warrants issued, restored, suspended, or cancelled will be included with the annual distribution of Grand Lodge financial accounts.

6.26 Neither the Grand Secretary nor the Grand Treasurer shall hold a similar office in a Subordinate Lodge.

6.27 Grand Lodge, cognizant of the counsel of the Grand Lodge Executive Council and the Board of General of Purposes may suspend or impose such penalty as it may determine upon any member of a Subordinate Lodge who joins, takes membership of or takes part in any activity of anybody or society purporting to be Masonic but which is without Warrant or Constitution from Grand Lodge or other Masonic body which it recognizes and is in Masonic union with.

6.28 Grand Lodge declares as unlawful in Malta any assembly or activity purporting to be Masonic under any title whatsoever which is without a Warrant or Constitution from Grand Lodge or other Masonic Grand Body which it recognises and is in Masonic union.

6.28.1 Grand Lodge prohibits any response by its Subordinate Lodges or members thereof as to the standing of a member or in reply to enquiry from any non-recognised Body.

6.29 Grand Officers shall wear their chains of office when forming part of a Grand Lodge delegation, unless specifically authorised otherwise by the Board of General Purposes or being specifically ordered to represent The Grand Master.

6.30 A recommendation that a Subordinate Lodge be erased or a Brother be expelled or invited to resign shall take effect as a penalty of suspension until such time as the question of Erasure or Expulsion shall have been considered by the Grand Master, or the Brother shall have resigned.

6.31 (Vacant)

6.32 An Appeals Panel will be appointed annually by the Grand Master at the October Regular Meeting of the Board of General Purposes. The panel will be composed of five (5) Brethren, one of whom will be appointed as the Presiding Officer. Members may remain eligible to be reappointed as often as the Grand Master may see fit. If a member of the Appeals Panel shall no longer be able to discharge his duties, or resign or become disqualified, the Grand Master may appoint an eligible Brother to fill the vacancy. No member of the Board of General Purposes is eligible for consideration.

6.32.1 Any Subordinate Lodge or Brother aggrieved by a decision determined by the Board of General Purposes may appeal the decision. The Appeal is to be made in writing, couched in proper and respectful language, and be delivered to the Grand Secretary within 30 days of the date of advice of the Board of General Purposes decision.

6.32.2 When considering an Appeal, the presence of three (3) members of the Panel shall be considered to form a Quorum. If the Presiding Officer is not available, the members present will elect a Presiding Officer for that Appeal.

6.32.3 The Appeals Panel may confirm or rescind a decision of the Board of General Purposes or may vary the same by increasing or decreasing the penalty or by substituting a direction that a Brother be invited to resign from the Craft.

6.32.4 If a Brother be invited to resign, it shall take effect as a penalty of suspension until the Brother shall have resigned. If he fails to do so, the original ruling will take effect.

6.32.5 The decision of the Appeals Panel shall be final and binding on the parties to the Appeal, and they shall be notified thereof by the Grand Secretary as soon as possible.

9.11 If any Subordinate Lodge be suspended or have its Warrant cancelled by order of Grand Lodge then each subscribing member of such Subordinate Lodge at the time of its having incurred such penalty, except such member or members as shall be specially excepted by name in such order, shall be considered as under suspension and shall not be allowed to visit or join any other Subordinate Lodge, at labour or refreshment, until his suspension shall have been removed by order of Grand Lodge obtained on the petition of the member so suspended.

9.12 On satisfactory evidence that a Warrant has been lost or destroyed or otherwise rendered unusable then Grand Lodge may grant a duplicate on payment of a fee in accordance with the Schedule of Fees. A Warrant surrendered by order of Grand Lodge shall forthwith be forwarded to the Office of the Grand Secretary for formal cancellation.

9.13 In the absence of a Travelling Warrant a Subordinate Lodge shall not assemble in any house of public entertainment or other place without Grand Lodge approval and the Master of any house of entertainment or premises at which a Subordinate Lodge may be approved to meet shall not hold any Office in such Lodge without permission from The Grand Master.

9.14 A Subordinate Lodge shall not be removed from its warranted place of meeting until a month's notice of the proposition for such removal shall have been given in open Lodge. This proposition requires the approval of a majority of the members present at a Special Communication which shall be summoned by the Secretary for that purpose at least one week before such removed Communication is to be held. Such removal shall require the approval of The Grand Master.

9.15 No Subordinate Lodge shall meet or continue at labour on any day appointed for a Communication of Grand Lodge or during the time Grand Lodge shall be sitting; nor shall any Subordinate Lodge meet for refreshment on any day of which an evening Communication of Grand Lodge is appointed to be held.

9.16 No Subordinate Lodge under the Jurisdiction of Grand Lodge shall meet anywhere on a Sunday or Maltese Public Holiday unless granted prior permission in their Lodge By-Laws or by special Dispensation from the MW Grand Master. In case the specified day for the regular meeting of a Lodge shall fall on a Public Holiday, then the meeting shall be held on such alternative day (being not more than seven days before nor more than seven days after the specified day) as the Master shall direct.

However, in view that public knowledge about meeting due dates falling on public holidays is usually known at the start of every masonic year and in view that Grand Lodge prepares a Masonic Calendar at the start of every calendar year to keep visitor brethren updated, lodge secretaries are required to notify the Grand Secretary of the new regular meeting date (NB: being not more than seven days before nor more than seven days after the specified day) at least ninety (90) days prior to such desired date.

Should the lodge fail to pre-notify their intention to the Grand Secretary within 90 days of the desired meeting date, the lodge secretary is obliged to seek permission solely via a Dispensation request from Grand Lodge for such date.

9.17 With the exception of the provisions covered in Law 9.16, no Subordinate Lodge shall hold a Lodge of emergency, emergency meeting or make change to a Regular Meeting laid down in the Subordinate Lodge By-Laws without a Dispensation from The Grand Master to so do. Application for such Dispensation, for which a fee in accordance with the Schedule of Fees submitted with the application, shall be made jointly by the Worshipful Master and Secretary of the Subordinate Lodge stating the reason for the Application and that this shall be the sole business transacted at the meeting as is to be confirmed by the Dispensation and the Summons. The granting of such Dispensation shall presume that the applicant Worshipful Master has established that the meeting does not conflict with the usage of the same Temple by another Masonic body.

9.18 Annually on the day stated in the Subordinate Lodge By-Laws each Subordinate Lodge shall proceed to elect, from amongst its members who have served for one Masonic year in the Office of Worshipful Master or Senior or Junior Warden in a Subordinate or other recognised Lodge, a Worshipful Master to be known as the ‘Master Elect’. Election shall be by ballot and the Member receiving the largest number of votes shall be the ‘Master Elect’ to be Installed according to ancient custom at the next regular meeting of the Subordinate Lodge.

9.19 Grand Lodge Certification of the duration and satisfactory completion of tenure of the Office of Worshipful Master of a specified Subordinate Lodge of the Sovereign Grand Lodge of Malta may be formally requested by that Subordinate Lodge. Grand Lodge Certification of subsequent further tenure as Worshipful Master of the same or of another Subordinate Lodge of the Sovereign Grand Lodge of Malta may be likewise requested. Such Certificate issue will be subject to a fee payable by the Lodge in accordance with the Schedule of Fees.

9.20 Prior to his being placed in the Chair of King Solomon a ‘Master Elect’ shall solemnly pledge himself to preserve the Landmarks of the Order and to observe the ancient usages and established customs and to strictly enforce them within his Lodge.

9.21 A copy of this Constitution and the Lodge By-Laws shall be handed to the Worshipful Master on his installation and his acceptance thereof shall be deemed to be a solemn pledge on his part that he will observe and enforce them.

9.22 The Officers of a Subordinate Lodge are, in order of precedence for investiture and otherwise as follows: - The Worshipful Master, Senior and Junior Wardens, Treasurer, Secretary, Director of Ceremonies, Charity Steward, Almoner, Chaplain, Senior and Junior Deacons and Inner Guard who shall be subscribing members of the Lodge. A Subordinate Lodge may also have an Assistant Treasurer, an Assistant Secretary, an Assistant Director of Ceremonies, Stewards and an Organist or Organists, but these Brethren shall not be deemed

Officers of the Lodge. A Brother shall not hold the position of Secretary whilst serving as Master or Warden in the same Subordinate Lodge, but the Offices of Treasurer and Secretary may be filled by the same Brother. There shall also be a Tyler who is not necessarily a member or officer of the subordinate Lodge.

9.23 For a Brother to be eligible to hold Office in a Subordinate Lodge it shall be obligatory for him to have obtained the Third Degree.

9.24 To be eligible for election to the Office of Master of a Subordinate Lodge a Brother shall have previously served the Office of Warden or Master for one year (that is to say from one regular installation meeting until the next regular installation meeting) in a subordinate Lodge or in a Lodge under a recognised Jurisdiction. A Master of a Subordinate Lodge may be elected for a second consecutive year in the same Subordinate Lodge but may not simultaneously hold Principal Office i.e. Master or Warden in any other Subordinate Lodge. A further Masonic year of Office will require a dispensation from the Grand Master.

9.25 A Subordinate Lodge having completed the annual appointment or election and installation of Officers in accordance with its By-Laws, shall make the Return of the installation to the Office of the Grand Secretary within thirty calendar days of installation and which Return shall, to ensure acceptance, include settlement of any and all fees then outstanding to Grand Lodge.

9.26 The Master and Wardens of Subordinate Lodges which fail to comply with Law 9.25 and who consequently are not registered in the books of Grand Lodge will be refused the right to attend Grand Lodge Communication unless and until their names shall appear in such register.

9.27 Grand Lodge officers visiting a Subordinate Lodge will wear their appropriate Grand Lodge collar and Grand Lodge jewel. They will not wear their gauntlets. No Masonic jewels other than the appropriate Grand Lodge Jewels shall be worn by Grand Lodge Officers when

visiting Subordinate Lodges. Those Grand Lodge officers who are also Officers in a Subordinate Lodge shall wear the collar particular to their Lodge Office rather than their Grand Lodge collar, in their Subordinate Lodge. Grand Lodge officers will always wear their appropriate Grand Lodge apron when visiting or attending a Subordinate Lodge as members.

9.28 The Master of a Subordinate Lodge shall cause all communications to and from the Grand Lodge to be read in open Lodge and attached to the Minutes and forming a part thereof.

9.29 No Communication of a Subordinate Lodge shall be regular unless the Master or a Past Master is present. In the absence of the Master or Past Master of the Subordinate Lodge then a Master or Past Master of any Subordinate Lodge shall occupy the Chair.

9.30 In case the Master of any Subordinate Lodge shall during his term of Office die or be removed or become incapable of discharging the duties of his Office, then the immediate Past Master, or in case of his absence or incapacity the Senior Past Master, such immediate or senior Past Master being a subscribing member of the Lodge, shall rule the Lodge until the next election of Officers, and the installation of the newly elected Master.

9.31 If a vacancy shall occur in a regular Office other than that of Master, such Office shall be filled for the remainder of the year by the election or appointment (according to the normal method of filling the Office) of a member of the Lodge at the time the vacancy occurs. If an election be required due notice thereof shall appear on the summons.

9.32 Initiating Candidates into Freemasonry is a Subordinate Lodge responsibility. For good reason, all Initiation Candidates and all Joining Members shall accord fully with these Laws and procedures, and any failings shall hazard the offending Subordinate Lodge Warrant to Suspension, even Cancellation.

9.32.1 No Candidate shall be eligible for consideration if he has been refused approval by a Subordinate Lodge within the immediately preceding twelve months.

9.32.2 No Candidate of less than twenty-one years of age shall be initiated unless a special Dispensation has been issued by The Grand Master.

9.32.3 A Candidate shall be expected to have a minimum of six-month continuous residency within the Jurisdiction of Grand Lodge although Maltese citizens residing abroad shall be regarded as resident within the Jurisdiction for the purposes of this Law.

9.32.4 A Joining Member domiciled without the Jurisdiction of Grand Lodge shall be subject to formal documentation from his subscribing lodge/s within the Masonic Jurisdiction of his normal domicile that confirms his Good Standing at time of application for joining the Sovereign Grand Lodge of Malta. In the case of unattached masons (or masons-at-large) wishing to similarly apply for joining, a letter of Good Standing bearing the date of the year of departure from the lodge shall suffice. Formal proposals or balloting for Joining Members may only be made after the satisfactory results of referred enquiries are received from the Grand Secretary.

9.32.5 If a Candidate is of a nationality other than that of the Republic of Malta and one whose Jurisdiction is also present in Malta, then the Candidate shall, as matter of courtesy, be informed of the other jurisdictions working in Malta.

9.32.6 Full personal details of a Candidate shall be submitted by completing the official application form available from the Lodge Secretary. Such details shall in no other way be promulgated or displayed.

9.32.7 Formal proposals for balloting for Candidates may be entered onto the lodge summons only after the Lodge Secretary receives written confirmation from the Grand Secretary that his submitted Petition has been processed, checked, confirmed as being complete, and the satisfactory results of referred enquiries obtained, thereby meeting the minimum requirements for membership in a subordinate lodge of the Sovereign Grand Lodge of Malta.

9.32.8 Standard procedure provides that balloting for a Candidate for Initiation or for a Joining Member shall follow at the next Lodge meeting following that in which he is proposed and seconded. Where unusual circumstances warrant, the Master is empowered with the discretion to progress Initiation or admit a Joining Member into the Lodge at the same meeting at which the successful balloting was achieved.

9.33 A Subordinate Lodge may elect a maximum of three (3) of its subscribing members, to the dignity of Emeritus Member in recognition of special service(s) rendered to his/their Lodge or as such special circumstance may so justify. An Emeritus Member shall retain full rights and privileges as normally appertain, including those of proposing motions and voting on any question before the Lodge. Such Emeritus brethren shall be due to pay an annual Lodge membership subscription limited to the annual per capita fee that the Subordinate Lodge is obliged to pay to Grand Lodge.

9.34 (Vacant)

9.35 It is obligatory that formal balloting shall precede a person being initiated in, or joining or re-joining a subordinate Lodge and this, always providing that the procedures outlined in Laws 9.32 have been fully observed. Where a Brother is seeking to become a Joining Member, it is required that prior to balloting the following documents shall be provided to, or obtained by the subordinate Lodge and acted upon as noted:

9.35.1 Grand Lodge Certificate from Candidates of another Constitution.

9.35.3 Clearance from the Grand Secretary is received in the manner covered under Law 9.32.7

9.36 A Subordinate Lodge knowingly affiliating a Brother who is in arrears of subscriptions in another subordinate Lodge shall be liable for payment of such arrears.

9.37 Prior to a notice of motion or proposal of a particular Candidate for Freemasonry or Joining Member is made in Open Lodge, the Lodge Secretary is to have submitted to the Grand Secretary, the completed Original Petition Form, with all requested information therein, for joining (retaining a copy for Lodge files). The appropriate fee due from the Candidate or Joining Member to the Lodge needs to be paid before the Candidate or Joining Member may be admitted into lodge for the first time. When the Candidate is raised to the Third Degree, the Lodge Secretary shall submit a request the Grand Secretary to issue a Grand Lodge Certificate.

9.37.1 Immediately following the election of a Joining member from a Lodge without the Sovereign Grand Lodge of Malta's Jurisdiction, the Lodge secretary shall request the Grand Secretary to issue a Grand Lodge Certificate.

9.37.2 (Vacant.)

9.38 A subordinate Lodge may elect as Honorary Members Brethren of eminence or distinction in the Craft, or who may have rendered special service to the subordinate Lodge or for other meritorious circumstances. Such Brethren may be of this or any other Jurisdiction in amity with the Sovereign Grand Lodge of Malta. Honorary members shall not be eligible to hold Office or vote on any question before the Subordinate

Lodge. No Annual Fee shall be payable to Grand Lodge in respect of such Honorary Members, such membership shall be limited to a maximum of two per Subordinate Lodge.

9.39 No person shall be made a Mason in or admitted a member of a Subordinate Lodge if, on the ballot, three black balls appear against him; but the By-Laws of a Subordinate Lodge may enact that two black balls or one black ball shall exclude a Candidate. Every subscribing member, if present, is expected to cast his vote. Voting in Lodge is considered a duty and abstentions are strongly discouraged. Should an abstention occur, it must not be recorded in the minutes or in any other record of the meeting. Every subscribing member may vote in any election or on any other matter held in a Subordinate Lodge.

9.40 Subject that all attaching correspondence shall be copied to the Office of the Grand Secretary, a Subordinate Lodge may, as courtesy Work, confer the second or third Degree upon a Candidate if so formally requested to do so by the Master and Secretary of the Subordinate Lodge of which the Candidate is an elected Member. Such request shall bear the signatures of the Master and Secretary duly attested with their Lodge Seal, accompanied by a certification that the request is in conformity with all the applicable provisions of the Constitution. Such request shall be subject of written confirmation of the Subordinate Lodge willingness to do the courtesy Work.

9.41 A Subordinate Lodge may, as courtesy Work and without any attaching fees, Pass or Raise a Candidate from another regular and recognised Masonic Jurisdiction; providing always that formal request for such Work is addressed in the first instance to the Office of the Grand Secretary and confirms the Candidate's Lodge membership status together with the approving signature of the Grand Secretary, or other appropriate Grand Officer, and Seal of the Jurisdiction to which the applicant Lodge owes its allegiance. The Grand Secretary will in turn pass the request to the Subordinate Lodge that is to confer the Degree(s). On completion of the Work the Subordinate Lodge shall report accordingly to the Grand Secretary who will in due course advise

the Candidate's member Lodge and the Grand Lodge of the Masonic Jurisdiction that in turn shall formally issue the Certificate of the Degree(s) conferred.

9.42 (Vacant)

9.43 Upon admission as a member of a Subordinate Lodge, every brother shall be informed of the location of the latest version of the Constitution and Laws of the Sovereign Grand Lodge of Malta and shall be presented with a printed copy of the By-Laws of the Subordinate Lodge; that together he shall pledge to observe and uphold, and this will be recorded in the Minutes. Likewise, a brother seeking to join a Subordinate Lodge from a Lodge of a regular and recognized Jurisdiction shall, upon admission as a member of a Subordinate Lodge, be similarly furnished and pledged in open Lodge with his providing a Declaration as follows:

The Second Degree shall be conferred on no more than three Candidates at a time; and The Third Degree shall be conferred to a maximum of two Candidates at a time.

9.46 A minimum of eight weeks shall intervene between the conferring of Degrees on the same Candidate subject only that the Subordinate

Lodge Master and Secretary, having jointly presented good and sufficiently reasoned application for a lesser period, have received formal Dispensation from The Grand Master.

9.47 No visiting Brother who is not subject to the Sovereign Grand Lodge of Malta shall be admitted into a Subordinate Lodge unless he be personally known to, and vouched for, by one of the Brethren present, or unless he shall be well vouched for after due examination.

9.47.1 No visiting Brother who is not subject to the Sovereign Grand Lodge of Malta shall be admitted unless his Certificate is granted by a subordinate Lodge recognised by the Sovereign Grand Lodge of Malta and he is able to produce proof of his good standing in his Lodge or Lodges. It is incumbent on the Master of any Lodge to which a visitor from another jurisdiction seeks admission to satisfy himself by adequate enquiries, if need be, from the Grand Secretary, that such jurisdiction is recognised by the Grand Lodge.

9.48 A Brother who has not received the Degree of Master Mason shall need to be vouched for when visiting another Subordinate Lodge and shall not claim to have been examined. Brethren of the rank of Entered Apprentice or Fellow Craft may, if thus vouched for, be present whilst a Subordinate Lodge is at Labour on the Degrees which they have received.

9.49 A visitor to a Subordinate Lodge claiming to be a Freemason and not being vouched for shall, before being admitted, be Examined by the Master or a Past Master to their satisfaction that the Lodge to which the visitor claims to be a Member is Warranted by a Grand Lodge which is in amity with and recognised by Grand Lodge.

9.50 A Subordinate Lodge shall hazard Suspension or Cancellation of its Warrant, and/or offending members' punishment at the discretion of the Board, if a person not initiated in a regular Lodge, or who is disqualified by Suspension or Expulsion, or subverts the Landmarks of Freemasonry, is knowingly present at its Communication(s).

9.51 A Brother knowingly or wilfully present at, or assisting at any Irregular Meeting of a Subordinate Lodge shall be disciplined as deemed appropriate by the Board.

9.52 The Master of a Subordinate Lodge shall admonish a Brother who disturbs the Harmony of the Lodge and, should the Brother persist in his irregular conduct, the Master shall discipline the Brother by censure or exclusion from the remainder of the meeting according to the opinion of the majority of Brethren present, else in accordance with the Lodge By-Laws.

9.53 A Subordinate Lodge shall at year-end prepare an Annual Return to be signed by the Master and Lodge Secretary for submission to the Grand Secretary on or before the last day of February of the year following. The Return shall list all members of the Lodge, distinguishing between those initiated, joining or rejoining with the respective dates of such, since the last Annual Return. Full payment of all monies properly due to Grand Lodge at year end shall be submitted on or before the 31st of March next.

9.54 A Subordinate Lodge shall make payment to Grand Lodge in respect of its Subscribing membership in accordance with the Schedule of Fees.

9.55 A Subordinate Lodge having less than three Subscribing members or that has not opened for Labour during one calendar year shall have its Warrant Suspended and the Master, Secretary, or Brother having possession of the Warrant shall be called upon to deliver it to the Grand Secretary. A Brother withholding such delivery of the Lodge Warrant shall be liable to disciplinary action or Suspension as may be considered appropriate by the Board.

9.56 Joining members to a Subordinate Lodge shall be registered as such in the books of Grand Lodge, and every Brother joining from a Lodge not on the Register of Grand Lodge shall, after satisfying the conditions of Law 9.43, be provided with a Grand Lodge Certificate together with a current edition of the Constitution and Laws and

Regulations of the Sovereign Grand Lodge of Malta and a copy of the Subordinate Lodge By-Laws.

9.57 Every Brother shall be entitled to a Grand Lodge Certificate immediately upon his being registered as a Master Mason in the books of Grand Lodge and his Lodge shall forthwith procure and issue such Certificate accordingly.

9.58 Duplicate Grand Lodge Certificates may be issued subject to the applicant's Lodge recommendation and satisfactory explanation of the loss or destruction of the original, together with the appropriate Schedule of Fees payment.

9.59 A Grand Lodge Certificate shall be validated when duly signed by the Brother to whom it is granted, and preferably so signed in open Lodge upon receipt. A Certificate shall not be recognised unless bearing the signature of the Brother to whom it is granted.

9.60 A Subordinate Lodge shall grant a Clearance Certificate free of charge to a Brother whenever required by him and such Certificate shall bear the Lodge Seal and be dated and signed by the Lodge Master and Secretary, subject always to the following:

9.60.1 That when the Brother is a member of the Lodge the Certificate shall carry confirmation of this and, if such be the case, that he is under suspension or disciplinary proceedings and, if such be the case, that he is free of indebtedness to the Lodge, and

9.60.2 When the Brother has been, but is no longer a member of the Lodge, the Certificate shall confirm whether he ceased to be a member by his resignation under Law 9.61, or by exclusion, and shall state the date and circumstance thereof and whether and at what time such outstanding indebtedness was discharged by him.

9.60.3 Clearance Certificates so issued shall bear the Seal of the Lodge and be signed and dated by the Lodge Master and

Secretary. Ideally Clearance Certificates should be handed personally to the Brother but failing which should be despatched by registered post to the Brother's registered or last known address and the envelope clearly endorsed as 'Private and Confidential'.

9.60.4 Except as provided by this Law no Lodge shall grant a Clearance Certificate of any kind to a Brother, particularly a Brother who has been expelled from the Craft or who has resigned from the Craft under Law 6.30.

9.61 A member of a Subordinate Lodge may at any time resign his membership, either immediately or as from some later date specified by him at the time, by written notice of his action to the Secretary or orally to the Lodge at a regular meeting. If the resignation be so notified to the Secretary he shall, unless he be in receipt of written notice to the contrary, communicate this to the Lodge at the next regular meeting thereof.

9.61.1 The resignation, if notified to the Secretary and reported to the Lodge, takes effect from the time such written notification was received by the Secretary or, if communicated orally to the Lodge, takes effect forthwith or, as from such later date if any as has been so specified as abovementioned. No acceptance of the resignation is necessary and, subject to the foregoing provisions and after notification or communication to the Lodge, is irrevocable.

9.61.2 The resignation of a Brother, notified or communicated to a Lodge after a notice has been served upon him in accordance with Law 9.62 that he be struck off its Roll of Members, cannot be withdrawn and such resignation does not prevent the Lodge considering and voting upon such resolution.

9.62 A Lodge is empowered to strike a member from its Roll should he be more than twelve months in arrears; provided that within one month prior to such action the Lodge Secretary shall have written, by

registered or recorded delivery to the member's last known address, requesting and requiring payment of the arrears and advising that non-payment would oblige his name being removed from the Lodge Roll of members and such removal reported to the Office of the Grand Secretary.

9.63 A Subordinate Lodge member whose membership subscription remains unpaid for two full years shall at the expiration of that period automatically cease to be a member of the Lodge. Such circumstance shall be reported to the Lodge at its next regular meeting, duly recorded in the minutes, and formally notified to the office of the Grand Secretary. Where so provided for in its By-Laws, a Subordinate Lodge may proceed against a defaulting member under Law 9.62 in respect of payments due for a shorter period than two years. A Brother may be reinstated as a member only by regular proposition and balloting in accordance with Law 9.35 and by his payment of the identified arrears precedent to his election. The Subordinate Lodge may elect to forego all or part of such arrears after having resolved so to do by a simple majority vote. Such circumstance shall similarly be formally notified to the office of the Grand Secretary.

9.64 A Brother removed by his Subordinate Lodge from membership for non-payment of subscriptions shall not join, nor shall he continue a member of any other Subordinate Lodge, nor be permitted to visit any Subordinate Lodge at Labour or refreshment, nor be permitted to become a member of Grand Lodge, until it shall have been ascertained by Grand Lodge from the Subordinate Lodge from which the Brother was removed that such arrears have been discharged. Any Subordinate Lodge knowingly violating this Law shall be held liable for such arrears and shall pay same to the Subordinate Lodge of which the Brother was formerly a member and shall be subject to such disciplinary action as the Board may see fit to impose.

9.65 A subordinate Lodge shall have power to exclude or suspend from membership any Brother whose continuance as a member may be considered objectionable or injurious to the Lodge, provided that a

simple majority of the entitled members present at a communication specially called to consider the matter shall so decide. The decision of the subordinate Lodge shall be reached by secret ballot. Each entitled member present at the ballot may cast his vote. If the resolution is carried, the exclusion or suspension shall be effective forthwith and the name of the Brother excluded or suspended shall be sent to the Grand Secretary. The decision reached may be referred to the Board of General Purposes by the Brother so excluded. The Master is empowered to order a second ballot if he has reason to believe that a mistake has been made in the first and shall report the circumstances justifying his action to the Board of General Purposes.

9.66 A Subordinate Lodge shall for its better governance frame its own By-Laws provided always that the same be in accordance with the Ancient Landmarks and with the Laws and Regulations of Grand Lodge and two copies of proposed By-Laws and any subsequent amendments thereto shall be submitted for approval by the Board. Lodge By-Laws shall be valid and effective from the date of approval. Two copies of printed Subordinate Lodge By-Laws shall be deposited by the Lodge Secretary with the Office of the Grand Secretary who shall in due course return one copy duly attested as approved for retention by the Subordinate Lodge.

9.66.1 The By-Laws shall specify the regular days and place of meeting of the Lodge, also the regular meeting for the election of Master, Treasurer and Tyler, (if they are to be elected) and the regular meeting for the installation of Master, which shall be the regular meeting next following that specified for his election. There is no power to cancel any regular meeting, nor may any meeting of the Lodge be held other than at the specified place and on the specified day, except as otherwise provided in these Laws.

9.66.2 Subordinate Lodge By-Laws shall be amended only in the following manner:

By Notice of Motion that at the next regular meeting, or emergency meeting as may be called for that purpose, that proposal will be made to amend Lodge By-Laws stating the exact details of the proposed amendment, full details of which shall be given on the summons convening the meeting at which the proposal is to be formally presented, and following presentation, proposal, seconding discussion, the Master of the Lodge shall direct the Brethren present to vote in the usual manner, and a simple majority, or such other as prescribed in Lodge By-Laws, voting in favour shall adopt the amendment for submission for Grand Lodge approval.

9.67 Each Subordinate Lodge, if it so wishes, can have its own unique Seal with which to verify Lodge transactions and the device design, which shall be subject of Board approval, shall show the full name of the Subordinate Lodge. If a Lodge does not have a seal, then transactions must be verified by the signature of the Worshipful Master and the Lodge Secretary.

9.68 It is the duty of any brother who may become a person of interest in a police or judicial inquiry, be informed that he is the subject of a criminal investigation or be convicted of any criminal offence (whether it be in the Republic of Malta or elsewhere) to report such fact/s within 7 days to the Master of his Lodge and the Grand Secretary, or (if he be unattached) to the Grand Secretary. Upon notification, a Worshipful Master shall with immediate effect, report any such information on any member of his Lodge to the Grand Secretary. A Brother, who comes under such duty to report such transpiration as aforesaid, shall not, pending the determination of his case by Masonic authority, attend any Lodge or masonic event. It is also the duty of the Worshipful Master to similarly report and promptly, all such or other cases which are likely to bring Freemasonry into disrepute.

9.69 Grand Lodge strictly prohibits any of its subordinate Lodges and members from engaging masonically in any civil or religious events, including, but not limited to, marriages (or affirmations of marriage),

christenings, baptisms, funerals and remembrance ceremonies. Any such participation will be considered a grave Masonic offence and will result in formal charges being brought against said subordinate Lodge and member(s).

9.70 Should any Mason possess any knowledge which would render unsuitable a potential candidate or a joining member for admission into a Subordinate Lodge, he is duty bound and under an obligation to approach the Worshipful Master/Secretary of the relevant Subordinate Lodge to express his concern, giving his reasons why such a Candidate or joining member is not suitable for initiation into the Craft or for joining the Lodge. The ultimate decision rests with the Subordinate Lodge and its Master though the opinion of the Grand Secretary should be sought in order to avoid the application of the law.

9.71 Unless differently provided for by a subordinate Lodge's By-Laws, the Quorum, or minimum number required to hold a Lodge meeting is 3 (three). The brethren officers constituting a Quorum must include the Worshipful Master, Junior, and Senior Wardens. Only Opening, decision making, and Closing are permitted with a quorum of 3 (three) and no degree ceremonies can be worked.

The By-Laws of each Chapter, by dispensation from the Sovereign Grand Lodge of Malta, may allow certain candidates or members to be excused fees, or permitted to pay reduced fees, in particular circumstances e.g. in the case of Emeritus or

10.10 When a Brother is exalted into Royal Arch Masonry (except as provided hereafter by this Regulation) he shall on or before the day of his exaltation pay to the Chapter the exaltation fee prescribed in the By-Laws. No Chapter shall forgo or defer the payment of this sum or any part thereof. A Chapter may enact in its By-Laws that, in addition to the exaltation, joining or re-joining fees the candidate shall pay such registration fees as are payable to the Grand Lodge (following the consecration of a Grand Chapter, to the Grand Chapter) together with any tax thereon, and the candidate shall before becoming a member be informed of the total amount due.
